

STAFF EXHIBITS TO BE OFFERED INTO EVIDENCE

The following will be offered, by reference, as staff exhibits at the Hearing on the San Joaquin River Group Authority Change Petitions scheduled for April 23, and 24, 2003.

1. All water right files related to Licenses 2685, 6047 and 11395 (Applications 1224, 10572 and 16186) of Merced Irrigation District, and Licenses 5417 and 11058 (Applications 1233 and 14127) of Modesto Irrigation District and Turlock Irrigation District.
2. Topographic maps published by the United States Geological Survey covering the area of consideration.
3. United States Geological Survey, "Water Resource Data, California" for the period of published record.
4. U.S. Department of Commerce, National Oceanic and Atmospheric Administration, "Climatological Data of California" for the period of published record.
5. DWR Bulletin No. 230, "Index to Sources of Hydrological Data" and all pertinent data available from the Water Data Information System and all predecessor publications (Bulletins No. 130 and 23).
6. Water Quality Control Plan for the California Regional Water Quality Control Board Central Valley Region: The Sacramento River Basin and the San Joaquin River Basin (5A/B), Fourth Edition-1998 and any amendments thereto approved by the State Water Resources Control Board.
7. ArcView shape files for the District boundaries of North Delta, Central Delta and South Delta water agencies (attached file names: northdelta.apr, centraldelta.apr and southdelta.apr). *The files are extracted from the private water district boundaries GIS layer available from the California Department of Water Resources.
8. ArcView GIS version 3.1 available from Environmental Systems Research Institute (ESRI).
9. South Delta Water Agency channel depletions (SDWA Exhibit 22 from D-1641 administrative record).
10. Dayflow Documentation. (also available online at: <http://www.iep.ca.gov/dayflow/documentation/index.html>).

11. California Central Valley Unimpaired Flow Data, Third Edition, Department of Water Resources, August 1994. (Solana County Water Agency Exhibit 18 from D-1641 record)
12. Delta Atlas, Department of Water Resources, 1993.
